Global Cyber Security Company

For our Client, International Cyber Security Provider, we are currently looking for

Security Consultants (different levels of seniority)

EMPLOYER: Global Cyber Security Company

LOCATION: Warsaw, The City Center

SALARY: 10 000 – 20 000 PLN GROSS

COOPERATION MODEL: permanent employment, long-term contract.

Our Client delivers the most ambitious projects for global customers.

You will have an opportunity to work with the newest technologies and to join fantastic Team of security passionate professionals.

Your role is to carry out at least one of the following activities:

- to carry out penetration testing
- to develop and deliver security projects and programs
- to control security assessments right up to targeted attack simulations
- to provide security research.

Your skills and experiences (not mandatory to have all of them):

- Technical experience on similar position
- Knowledge of burp and SQLi
- Knowledge of WebApp Testing
- Knowledge of Infrastructure Testing
- Knowledge of Mobile App Testing
- Organizational and communication skills
- Very good English (C1).

Nice to have:

- OSCP & OSCE.

Our Client offers:

- Permanent Employment with competitive salary and benefits
- Personal development and possibility of fast promotion in the structure of the company
- Opportunities to exchange skills within experienced multinational team
- International projects and work along experts and less experienced security colleagues
- Fantastic work conditions and environment.
