

Title Internship in Group Technology as Quality Analyst

Location Wrocław, Poland

Function Category Information Technology (IT)
Corporate Center

Job Type Full Time

Description

Your role

Do you have sharp eye for detail? Do you have eagerness to discover how real business processes work in Swiss Investment Bank and the courage to propose improvements to them? We are looking for someone like that who wants to:

- be a part of a self-organizing Scrum team
- collaborate closely with business stakeholders in Bank Operations to understand existing business processes and search for creative ways of making them more effective and cost efficient
- learn new tools and techniques to document in concise and clear way functional and non-functional requirements or software development and test scenarios supporting IT implementation
- learn how to analyze code and automate test executions
- provide support in all phases of SDLC and ensure delivery of high-quality products.

Your team

You'll be working in the team supporting strategic solutions for GT in Wrocław. We are working on key business intelligence / reporting programs requiring data to be sourced from diverse sources within the bank and presented to end users via analytics dashboards.

Your paid internship will last 6-12 months with a possibility of extension, based on 30-40 hours per week.

Your expertise

You have:

- student status or university degree in information technology, mathematics, economy or related field
- some understanding of Databases
- very good English language skills
- understanding what Quality Assurance is
- general understanding of Software Development Process
- general understanding of the testing process
- passion to dig into details and analyzing how things work
- enthusiasm for learning in the job

Good to have:

- Basic Java and SQL knowledge

Apply now on www.ubs.com/polandcareers

You are:

- flexible and open-minded
- self-driven and proactive
- paying attention to details
- a problem solver
- responsible and committed to deliver results
- good team player
